National Heritage Open Days

Villagers may be interested in Clifford's involvement in the Heritage Open Days, a national event which is taking place across the country from 6th-15th September 2024.

Leeds Civic Trust has invited Clifford to participate, which we are doing on **Monday 9th September.**

St Edward's, St Luke's and the Methodist Churches will be open from 10am until 4pm. There will be music recitals, visual displays and knowledgeable people there to show you round, with tea and coffee available in the Methodist Schoolroom where you will also find toilets. No need to book, just turn up!

The History Group will be leading a walk around the village, this is a bookable event, aimed at visitors from outside our area. However, if enough local people are interested in the walk, we could possibly arrange another date for you. You can also download and print off our History Walks leaflet from the History section on the Parish Council Website: <https://cliffordparishcouncil.gov.uk>

Leaflets about all of the city's places to visit will be available in the local libraries and you can also look up this information on the Heritage Open Days website: heritageopendays.org.uk and follow the links.

Lyn Parkin, Clifford History Group.

HERITAGE OPEN DAY – MONDAY 9 SEPTEMBER 2024 10AM-4PM **COME AND ENJOY 'A GREAT DAY OUT IN CLIFFORD!'**

The theme of this year's Heritage Open Day (HOD) events is 'Connections'. As members of the local Christians Together group the three churches in Clifford, St Luke's Church, Methodist Church and St Edward's Catholic Church are celebrating their spiritual heritage and opening their doors to visitors. A warm welcome awaits, alongside a varied programme of events. No booking is needed, and you can mix and match where you attend, and what you enjoy.

Sit on the bench in front of St Luke's and see the view over Clifford and the splendid, renovated tower of St Edward's. Visit the 3 war graves in St Luke's churchyard, listen to a talk on St Luke's art and artifacts, music including organ recitals and view arts and crafts made by members of the congregation. The Methodist Church is nestled in the middle of the village and was registered for worship in 1855. Take a break in the School Room of the Methodist Church where tea and coffee will be served. You are welcome to bring your own picnic along. Toilet facilities are available.

Take in the beauty of St Edward's while you listen to a varied programme of events including organ and classical guitarist recitals. Listen to fascinating talks such as 'Illuminating Stained Glass' by Alison Gilchrist of Barley Studio or 'A glimpse of heaven: St Edward's Catholic Church' by Robert Finnegan, Leeds Diocese Archivist. A children's choir from the Holy Rosary and St Anne's primary school, Chapeltown Leeds will provide a short repertoire of music and song.

The History Group will be leading a walk around the village aimed at visitors from outside the area. However, if there are enough people from the local area interested in the walk, the History Group would be willing to consider another date to accommodate the demand. The History Walks leaflet from the History Group can be downloaded and printed from the History section on the Clifford Parish Council website: <http://cliffordparishcouncil.gov.uk>. Walks will take place 10am – 12.30 pm and 2-4.30pm. Booking is essential for the walk through the HOD website below.

For more information about the programmes from the trio of Churches, or to book a place on the walks please visit: www.heritageopendays.org.uk & search for Clifford using the "Search 2024 events" box

From the June 2024 Parish Council Meeting

The Parish Council meets on the 3rd Wednesday of the month at 7.30 pm at Clifford Village Hall. The meeting dates for 2024 are: January 17th, February 21st, March 20th, April 17th, May 15th, June 19th, July 17th, August – no meeting, September 18th, October 16th, November 20th and December 18th. The agenda and minutes are published at www.cliffordparishcouncil.gov.uk

Residents are welcome to attend Parish Council Meetings and there is a public participation session at before the Council meeting starts. If there are any issues you would like to raise with the council, but you are not able to attend the meeting, please contact clerk@cliffordparishcouncil.gov.uk

Road Safety and Highways Meetings

Leeds City Council are holding monthly Road Safety and Highways meetings in Wetherby. A LCC Highways Officer, Ward Councillors and the police, will be in attendance. The aim is to address residents' concerns about highway maintenance and safety. The meetings are open to all residents and will follow an open format, similar to the monthly PACT meetings. One meeting a quarter will focus on Clifford and Bramham, the first of which will take place on Tuesday 3rd September at Wetherby Methodist Church, Bank Street, Wetherby immediately before the PACT meeting.

Number 7 Bus Service

The Parish Council has raised concerns with the Ward Councillors about the unreliability of the number 7 bus service. The issue has been referred to the West Yorkshire Combined Authority and the Parish Council will continue to monitor the performance of the service.

Fixed Speed Indication Devices (SIDs)

The monthly data from the newly installed SIDs will be published on the council website at <https://cliffordparishcouncil.gov.uk/traffic-management/>. The council will continue to use the mobile SID throughout Clifford. The devices will act as a speeding deterrent and provide information on locations where police enforcement action is required. Please contact the clerk if you are aware of any locations where you think the mobile SID should be used.

Muddy Lane

A representative of the Clifford Allotment Holders Association attended the meeting to outline concerns about a significant crack on Muddy Lane adjacent to Carr Beck. The lane is used to access the allotments, the affected area has been fenced off and vehicles can still use the lane. It appears that a tree which fell across the beck from the opposite side some months ago has gathered debris and diverted the flow of water which has caused erosion to the bank. It will be necessary to secure the bank of the beck to prevent further erosion and damage to Muddy Lane. Quotes for this work will be considered at the July Council meeting.

Land off South View Councillors and volunteers are beginning work on clearing the site of rubbish and overgrown vegetation as well as removing any hazards. The Working Group are considering potential uses for site and will be consulting with residents in the coming months.

The Leeds Festival will be on from the 21 to 25 August 2024. The Traffic Management Plan will be published on the council website as soon as it has been finalised by LCC and Festival Republic.

OUT AND ABOUT IN CLIFFORD

SIDS

The 'SID' devices on the 20 mph stretches of our roads are, in a way, quite a bit of entertainment as long as we don't get too distracted while driving. It's a challenge to drop your speed and be rewarded with a smiley face being displayed. However, their real purpose is much more serious. We want to see the speeds reduced in the village to correspondingly reduce the number of accidents and injuries. The message is short and simple - Keep slow and get a smile!

Beer Festival

This year's so-called summer didn't get too much in the way for the festival on 29th June. There was a long spell of clear weather during the afternoon. Ticket selling was a little slow at first but business picked up as the afternoon proceeded. The facilities at the village hall made it a great location for the event. Once again, it was not just about beer tasting (or, if you prefer, boozing!) but a community event which brought lots of folk, friends and families together. Our village hall proved once again to be a focus for bringing people together. As is customary, the youngsters could use the play area. The marquee on the field provided a new facility helping when the rain came along. Our beer festival betters others in the locality because of the facilities and its time in the year. Even a summer which seems to be like March is a better time than earlier or later in the year. Everyone involved – committee and volunteer helpers who do a grand job need to be thanked by us all. If you've enjoyed it this year, think about helping out next year. It's becoming more of a carnival as time goes by.

Water and more water

At long last, the long-standing surface water along Grove Road outside Martin House has disappeared. Whatever the cause it's good at last to have a clear road with no splashing. While mentioning the Hospice, the giant crane is still on site overlooking the building work of the new extension which seems to be proceeding well. The other long-lived watery site on the corner of St. John's Road and Cinder Lane seems now to be just a large puddle rather than an energetic spring.

In a quieter part of the village, water is now running down the track, known by some as Gypsy Lane, alongside Bramham Primary School (which is actually in Clifford!). The track is also in our village and there's a bit of botany at work. The water seems to be seeping out from under the hedge on the school side of the track. It's very noticeable when you come across the vigorous stretch of meadowsweet, a common wildflower which will grow well only in wet ground. There must be water coming from somewhere nearby to keep it going. Water has been saved at one place and is now being lost elsewhere. With all our technology which can enable us to land robots on Mars, we seem to have great difficulty in keeping water inside pipes!

The Strategic Importance of Clifford Moor in History

Following on from our article on the Rising of the North in a previous edition of Outlook (June 2024), let us consider why, over a period of more than three hundred years, our geographical area has been a significant focus for the gathering of forces in national conflicts.

The answer to this question is undoubtedly the topography and landmarks in our neighbourhood.

If we recall what our local countryside was like six hundred years ago, we know that this area was the highest, and therefore the best strategically, for armies to assemble prior to important battles. For this conclusion we are considering the larger interpretation of "Clifford Moor"

The Great North Road was a bridleway and coaching track, and the larger area which we now know as Clifford Moor, Collingham Moor, Bramham Moor, and Seacroft Moor was a sparsely populated spot. The villages were small hamlets, but significantly it was the highest ground south and west of the two important crossings of the river Wharfe, namely Wetherby and Tadcaster.

In chronological order, the important conflicts when Clifford Moor was a holding area for forces are:

February 1408

Early in 1408 Henry Percy, 1st Earl of Northumberland, marched south to confront Henry IV in a dispute over unfulfilled promises of land, money, and royal favour in return for support for the king. Percy was killed in the **Battle of Bramham Moor**. A cross was erected on the spot where he fell adjacent to the present A1 on Paradise Way. (An information board has been placed on the spot) Later the base of the cross was moved to the entrance of a wood on Toulston Lane at the top of Windmill Hill. It is now partially hidden by undergrowth.

November 1569

The Rising of the North

See the June 2024 Outlook article.

March 1643

The Earl of Newcastle's force had captured York, Tadcaster, and Leeds on behalf of the Royalists in the First English Civil War. The Parliamentarians partially restored the balance of power in January 1643 by recapturing Leeds. Through the winter a stand-off occurred for a couple of months with Newcastle's forces camped on Clifford Moor and Fairfax's parliamentary army in Selby.

On March 30th Fairfax was routed in the **Battle of Seacroft Moor** and he retreated back to Leeds.

July 1644

There were various skirmishes and manoeuvres between Fairfax's Parliamentarians and Newcastle's Royalists in the larger Clifford Moor area in the first part of 1644, culminating in April with the siege of York by Fairfax. His forces had been gathering near Wetherby, again using Clifford and neighbouring villages for supplies. In May 1644 Charles I ordered his nephew Prince Rupert to relieve York. Rupert's forces marched north to reach the Royalist garrison at Knaresborough Castle on 30 June.

By 1st July, the Royalists moved east to engage the Parliamentarians in the **Battle of Marston Moor**.

The result was the rout of Rupert and Newcastle's forces by the Parliamentary army of Lord Fairfax and the Earl of

Manchester, assisted by the Scottish Covenanters under the Earl of Leven.

1745 The Jacobite Rebellion

During the second Jacobite Rebellion (the first occurred in 1715) an artillery unit stationed on Clifford Moor was supplied with "fodder" by the parish. This unit was under the command of General George Wade who had marched down from Newcastle to intercept the Jacobite forces, who had unfortunately taken a west coast route through Preston and Manchester. The rebellion reached Derby, but, through lack of support from the English, then beat a hasty retreat back to Scotland. It is thought that General Wade's army spent quite a few days in the Clifford and Bramham area.

We know that Clifford is now a popular dormitory village, being in the centre of the "Golden Triangle", and the proximity of good east-west and north-south routes leads to this area being an excellent base for travelling salespeople. It was the same for travelling armies over the centuries; the reason being its position on our maps.

Clifford Walk Tuesday, 11 June 2024

Those if you who were unable to come along missed a lovely walk, as only four of our group plus two friends visited Huggate on the Wold for the seven-mile walk. Although there was a cool breeze, the sun kept popping out and there was only an occasional spot of rain.

The verges were full of wildflowers, and we saw several orchids alongside some of the tracks. We encountered very few other walkers as this area isn't as popular as the Dales or the North York Moors. The amateur geologists in the group had discussions about the formation of the steep sided valleys and the on-going investigations into patterns of human settlement. We needed an archaeologist with us!

We rounded off the day with tea and cakes at the delightful cafe in Huggate. Do go if you have a chance (closed Wed and Thu).

Thanks once again to Liz and Alan for an enjoyable day out.

Clifford Walking Group – Next Walk

Leader – Helen Hesketh
Date - **Thursday 15th August**
Start - Hovingham village hall car park at 10.30 a.m.
Distance – 8 miles
Lunch - packed.

Refreshments afterwards at the Worsley Arms Hotel, Hovingham High Street. There is free parking at the village hall. Spaces are limited though so please share lifts where possible. Hovingham is on the edge of the Howardian Hills, an area of natural outstanding beauty (ANOB). The walk is in a rough figure of eight made up of two shorter walks with Hovingham at the centre. This makes it ideal if you want to come along but want a shorter walk.

If you are new to the group, please contact 01937 842768 in case of changes.

Strawberry Tea – Thank You!

Huge thanks to everyone who attended our Strawberry Tea at the Methodist Schoolroom on Sunday 30 June. Well over 60 people enjoyed the wonderful strawberries, scones with jam and cream and teas and coffees.

A raffle helped to swell the coffers and the final sum raised was a magnificent £473.30. This will go towards keeping our village chapel open and everyone is welcome - our services are 10.30 each Sunday.

Also, this was the occasion we said farewell to our Minister Steve Jakeman who is retiring. He was presented with vouchers to choose garden furniture and a patio rose. We wish Steve and Sue well for their future life in the northeast.

BOOK SALES AT CLIFFORD VILLAGE HALL

Summer has arrived! Occasionally

The good news is that books have been flying off the table recently; the bad news is that this has depleted our stock. If you have any up-to-date paperbacks which you think would make a great summer read for someone, we'd love to receive them!

We very much appreciate the terrific support we receive from both readers and donors.
