Clifford Outlook 50th Year

Continuing our theme of 50 years of the Outlook Magazine...

Here is an article that appeared in **April 2010**, about the success of a band from Clifford who were victorious in the Bramham's Got Talent competition

CLIFFORD TALENT COMES OUT ON TOP!

The '*We've Got Talent*' Grand Final took place in Bramham Village Hall on Saturday 6th February with local Clifford performers well in evidence and one of the acts taking the top prize.

Among the many acts Clifford Village Band, a six piece act, provided folk music with a twist performing upbeat melodies written by band member Sam Murray. Daniel Conway, also from Clifford, took to the stage with his keyboard to riotous applause. Daniel had brought his local fan base with him and by the end of the night had clearly added to it, if the final round of applause was anything to go by.

The judges included Melvin Benn, Managing Director of Festival Republic who stage the Carling Leeds Music Festival at Bramham Park; Sean Birdsall of Limetree Festival; Paul Dutton, Director of Music at Gateways School; Tina Featherstone, music teacher at St John's School for the Deaf in Clifford and Dr John Nicholls, Bramham GP and local thespian. Their final duty was to pick the top two finalists who would then compete for the audience's vote - Clifford Village Band and Blackout Retrospective.

Clifford Village Band were announced as the final winners and were left floating somewhere just below the ceiling in shock when they heard their names. They will now play Limetree, the Ripon based festival in August 2010 thanks to winning the top prize donated by Sean Birdsall.

Sean said: 'What set the Clifford Village Band apart was that they are all gifted musicians firstly secondly they have a brilliant songwriter, plus they have the maturity to understand how harmonies work. The balance between vocalists was near perfect, I really enjoy the fact that they believe in folk music and still are pushing boundaries in that genre, its so heartening that a band so young are taking traditional music and beating their signature into it.'

All success to the band at Ripon in August!

We wonder whatever happened to the band and whether they enjoyed playing at Limetree?

Clifford Local History Group

Who are we and what do we do?

Every month, an article appears in the Clifford village Outlook magazine written by a member of the Clifford Local History Group – but who are they, and what do they do?

On the evening of the last Wednesday of every month, a small group of like-minded local residents meet in the Clifford Village Hall for a couple of hours to share and discuss topics of historic interest about the village of Clifford. And there's a lot to discuss, believe me! We have a Constitution, a Committee and a meeting format (with Agendas and Minutes), but we're not overly serious about that – it's more for record keeping. To ensure we lose nothing, and to help all new members get involved quicker, we have an extensive on-line digital archive of our research and findings – available only to active members naturally. We have an on-going list of research activities that all members participate in following up on.

There is usually 1 major topic for each meeting, and these cover a wide range of subjects from buildings, farms and residences to utilities such as power. From the village Churches to the Mill buildings and its water infrastructure. From the surrounding geology, to photographs both aerial and land. From historic documents such as copies of the village census, to reviewing artefacts such as parts of the fabulous water wheel mechanism and smaller memorabilia. We also invite guests from the village to come and talk to us about their experiences and memories of the village from times gone by. We have had some fabulous guests over the last few years, including some from local institutions, and we thank them all.

Most recently, our July 2025 meeting was dedicated to 2 residents who recounted their experiences as children during WW2 in the village and then growing up here. The fact that the meeting overran its allotted time is testament to how interesting, engaging and witty the evening was. Here's a snippet of some of the memories shared:

"The local bobby (police constable) John Clayton kept everyone in check, he knew every family and would tell misbehaving kids he would have a word with their parents"

"The village dentist was located in the School Room, Willow Lane and known to many"

"The village water pump served local residents and people collected fresh water daily in buckets, water became available in most houses by the 1950s"

"A number of residents living in the village owned pigs and/or chickens. If they owned and slaughtered more than one pig, then one of their pigs would be provided back into the food chain"

"There was an air raid siren on the side of Shamrock House"

"Heard the planes fly past that bombed York"

"Saw the Polish bomber crash in Newton Kyme"

"As a boy, I ventured up the mill pond tail race until I could not breath and was forced to return"

"An unexploded anti-aircraft shell landed at High Trees"

"There were tennis courts near the WW2 observation bunker opposite High trees"

"Boys used to attempt to 'freewheel' down the high street in homemade go-carts from the font-well to 'The Willows', but never quite made it"

OUT AND ABOUT IN CLIFFORD

School is back....

....and the road alongside the Academy and further to the junction with Rhodes Lane looks new and, indeed, is much improved by the smooth service. In addition, new kerbs, dropped as needed, for the houses opposite, nicely tidy up the area around the academy entrance. This makes things a little safer. The provision of yellow markings on the road now gives some control to the continuing use of the road as an informal car park. It was worth the week or so for closure, including the diversion of our bus service and other temporary difficulties. There are a lot more parts around the village that could benefit for similar attention to road surfaces. Road closures would be tolerated if there would be improvements.

The Drought

Does our village have some force above it stopping the promised rain falling on us? As this is being written we are, at last, seeing some rain. We will, of course, have to continue with a hosepipe ban. It has been a very long period without rain for the gardens, allotments, farmers etc... It's been very frustrating seeing weather forecasts of thunderstorms and heavy rain with nothing then happening. A local rain gauge showed how little we have had. One garden with a gauge took a measure from 19th July to 14th September finding just about one and a half inch falling on us. That's not enough – try providing an equivalent amount using just a tap and watering can! Many trees have been wrongly dropping leaves very early. Fruits like blackberries have been ripening very early and then withering away. Botanists and other scientists with knowledge of the countryside are concerned about the effects on birds and other wildlife this winter.

Nevertheless, the beck passing under Old Mill Lane* has been running quite low but remarkably has not dried up to the relief of the nearby allotment tenants. Perhaps it has always been like that which encouraged the 19th century owners of the flax mill to the site to drive their water wheel regularly.

*Take a look at the OUTLOOK's cover map – it's called Carr Beck as it comes from Bramham, but Firgreen Beck as it leaves us to join the river Wharfe

Telephone faults on land lines

A number of telephones were faulty for a few days in parts of the local area including the village. The phones lost the dialling tone with no content. Calls could not be made out nor could any get in. It was explained that water had entered part of the wiring in the system. It caused problems in the copper wiring section, and it took several days to correct the situation. Homes which have already converted to the new fibre optic system could not be affected.

Gardeners' Corner

Rye pappels drop about my head

Vita Sackville West remembers hearing this as a young child –'I had no idea what rye pappels might be but they held a magic, an enchantment for me, and when in later life I identified them as the ripe apples of Andrew Marvell's poem they had lost nothing if their enchantment in the process of growing up'

She goes on to say that she returned home from abroad one year and realised how pink and green the autumn garden was- with rosy apples and the edges of many leaves going pink.

This year there have been so many apples, pears, plums and if you are lucky enough quinces too. Hopefully you have been able to pick some up either from your garden or a box outside someone's house!

What to do this month

- Rake up leaves particularly off the lawn and paths. As long as there hasn't been a black spot/fungal problem on leaves of roses or shrubs, you can leave leaves on beds
- Clear weeds and apply mulch
- Lift leaves and debris off ponds
- Plant evergreens and shrubs
- Trim conifer hedges
- Plant new climbers, perennials, lily/tulip bulbs
- Divide larger clumps of perennials such as Lady's mantle (Alchemilla), asters, pulmonaria, geraniums
- Lift and divide rhubarb, planting it into an area with plenty of well-rotted manure or compost
- Put up insulation in your greenhouse- suspended bamboo poles and re-using bubble wrap is one great idea

Long term planning

- Sow sweet peas under cover- greenhouse or windowsill
- Prepare the ground for bare root plants if you are buying them. Bare root plants are often available to buy at this time of year, and it can save a lot of money, especially on expensive things like roses

Mindful moment

Sometimes we don't have time or space for a large garden. Rather than seeing this as a failure or a deficiency, approach it as an opportunity to get creative. Any garden is a gift to ourselves, and a journey, even if it is a little pot of bulbs, herbs or pelargoniums (used to be called geraniums) on your windowsill. So, relax and focus on just one little piece of greenery you have already tended or plan to have over the winter.

Parish Council – August update

The Parish Council meets on the 3rd Wednesday of the month at 7.30 pm at Clifford Village Hall.
The meeting dates for 2025 are: January 15th, February 19th, March 19th, April 16th, May 21st, June 18th, July 16th, August – no meeting, September 17th, October 15th, November 19th and December 17th. The agenda and minutes are published at www.cliffordparishcouncil.gov.uk

Residents are welcome to attend Parish Council Meetings and there is a public participation session before the Council meeting starts. If there are any issues you would like to raise with the council, but you are not able to attend the meeting, please contact clerk@cliffordparishcouncil.gov.uk

Leeds Local Plan Call for Sites Consultation

Clifford Parish Council has now submitted its response to Leeds City Council's **Local Plan 2040 – Call for Sites Consultation**, which closed on 15 September 2025. The Parish Council worked with Boston Spa, Thorp Arch, Walton and Bramham Parish Councils to prepare a joint response on behalf of the Wetherby Parishes. The Parish Council also commented on the potential development sites in Clifford: Land off Old Mill Lane, land east of Chapel Lane, land north of the Albion Pub and land east of Bramham Road. This Council's response has been published on the Council's website www.cliffordparishcouncil.gov.uk Leeds City Council will now:

- **Review all consultation responses** – including comments from residents, landowners, developers, local councils, and community groups.
- **Assess suggested sites** – each site put forward in the Call for Sites will be checked for suitability, considering infrastructure, environmental impact, and planning policies.
- **Prepare a draft plan** – using the evidence and feedback gathered, LCC will draw up its Publication Draft Local Plan, setting out proposed development sites and policies for how Leeds should grow over the next 15 years.

Once this draft is ready, there will be another formal public consultation (expected in 2026). This will be a key stage for residents to comment, as all responses will be passed directly to the independent Planning Inspector who examines the plan. Finally, after examination and any changes required by the Inspector, the Council will adopt the new Local Plan, which will guide planning decisions up to 2040.

Clifford Parish Council will continue to monitor the process closely and keep residents updated. Residents are encouraged to get involved in the next round of consultation – your views will help shape the future of our village and the wider Leeds area.

Dog bag dispensers The Council continues to receive complaints about dog fouling on pavements, verges and green spaces. Most dog owners act responsibly but a small minority continue to leave a mess behind creating an unpleasant and unhealthy environment for everyone. To help residents, the Parish Council has installed four dog bag dispensers around Clifford. The bags are free to use, making it as easy as possible to clean up after your pet. Please use them responsibly and take only what you need, and do not waste or misuse the supply. Place used bags in any litter or dog waste bin. The dispensers are checked and topped up regularly.

Remembrance Sunday

The Remembrance Day service will take place at the War Memorial on Sunday 9th November starting at 10:50 a.m.

A wreath will be laid on behalf of all Clifford residents by the Chairman of Clifford Parish Council, Cllr Nicholas Fawcett.
A collection will take place on behalf of the Royal British Legion

Contacting the Parish Council

Email clerk@cliffordparishcouncil.gov.uk if you have any questions or comments for the Council.

Clifford Walking Group – August Outing

The monthly Clifford walks do not happen without advance planning from a group of Walk Leaders and calendar coordination from Pauline Winterburn – the original “walker”. In August the advertised walk had to be changed at short notice because the planned route had become impassable.

So, the group gathered in Ripon and proceeded by car through Kirby Malzeard up onto Grewelthorpe Moor. Despite the chill NE there were plenty of shorts still on display confirming that we were still enjoying summer.

The walk took us up onto Low Langwith Ridge, with excellent views in all directions, before returning to agricultural land and our sighting of a lone deer and the finally turning back on to Wreaks Lane to our cars. Overall, 6.75 miles – virtually flat (if you ignore first and last miles).

Thanks to Yvonne for an excellent new walk enhanced by afternoon tea at Tates Garden Centre. If you enjoy walking and/or cake or can lead a country walk, then you will be most welcome in this group and help expand the 22-year-old programme.

A Walker

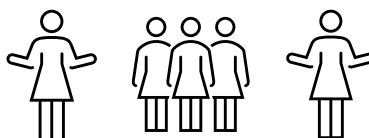

Clifford Drama Group

On 17th August, we held the auditions for our Autumn play, ‘Lucky Sods’ by John Godber. This promises to be an entertaining but thought-provoking production, following the impact of a lottery win on a family. It challenges ideas of how you deal with that sort of money, and ultimately, whether it brings happiness.

We’ll be performing this on 10th October (evening) and 11th October (matinee and evening), so do look out for details of ticket sales. These will be available on flyers/posters around the villages, as well as on our online Bulletin Board on Facebook.

In the meantime, you could still take advantage of our Patrons’ Programme to guarantee seats and save money on tickets for each production. Contact cdgtreasurer2022@gmail.com for more details. And then, with barely time to draw breath, we’ll be rushing headlong into auditions for our celebrated annual Pantomime (to be performed in late January). Rehearsals start on 20th October- oh yes, they do!! If you’ve been thinking of getting involved with Clifford Drama Group, either performing or backstage, this is the perfect opportunity to join us and have fun! Contact cdgsecretary67@outlook.com for more information. Or why not ‘Follow’ us on Facebook for the latest info?

Clifford Village Hall Open day Saturday 29th November 2 till 5 pm

The Trustees of the Village Hall are pleased to announce they are having an Open day during the afternoon of Saturday 29th November in conjunction with the celebrations of the 50th anniversary of the first edition of the printing of the Outlook village magazine.

On show and available for comment will be the designs for the redevelopment of the village playground and the front of the Village Hall along with representation from the clubs, societies and organizations who use the Hall.

The Parish Councillors will be in attending to gain views on the future use of the land recently purchased next to the Village Hall off Albion Steet.

All villagers are welcome to come along and share their views and see the clubs and activities on offer at the Village Hall. Refreshments will be provided.

To all residents of Clifford - from the Diggles Trustees

As a resident of Clifford, you will have regularly received copies of 'Outlook.'

From this magazine you will be aware that young people can apply for grants to help with certain costs of education through the COG scheme.

This scheme is an initiative of the Diggle's First Fruits Trust.

Soon one of the Diggle's Trustees will be retiring and a replacement required.

Could you be that person?

If you are interested in helping the young people in our community and would like to be considered, please go to our website www.cliffordcog.org and using the 'Contact Us' page send us some details about yourself and why you would be interested in becoming a Trustee.

For just a few hours a month you can help our young people of the village to access a grant to enable them in gaining key skills and education.

A background in finance would help but not essential.

Thank you, **Diggle's Trustees**

What's on this Autumn?

Our **Autumn Menu** includes our **"Yorkshire Parkin Day"** to celebrate Bonfire Night, and our regular **"Two Soups Specials"** to warm the soul on those chilly Monday mornings.

We are also continuing with our well-received series of **free talks** this Autumn sharing information and stories about subjects of local and community interest including:

"Staying Safe from Abuse and Neglect" A talk by Leeds Safeguarding Adults Board (LSAB). On 27th October, **"Wetherby Foodbank: Helping Local People in Crisis!"**

A talk by Jenny Firth, Wetherby & District Foodbank. On 10th November,

Other regular features in the coming months include.... a special **"Winter Warmer"** menu....., **"Fun Bingo"** a relaxing game of bingo with the addition of a few donated prizes.... and **"Meet Your Ward Councillor"** at their monthly "surgeries", when you can talk to them about any local issues that concern you.

And looking further ahead, keep your eyes peeled for more guest speakers, and, on Monday 15th December, our not-to-be-missed **"Village Hub Christmas Special"**.
